

Dear Parents:

We would like to communicate with you and the community the wonderful learning and fun that are occurring here at The Mustard Seed Early Learning Center. There are several methods that the center may use to do this. The internet is one of the fastest growing tools to accomplish this. Others may include, but are not limited to center newsletters, local mailings, or flyers.

We may wish to publish your child's picture, video clip or work. We will **not** publish any private information about your child such as his/her name, address, or phone numbers.

Please sign and return the form below. If you have any questions or concerns, please contact Ms. Roxy at the school or 688-7003.
